

Altar Server Training

Boys and Girls of Saint Elizabeth Church, now is the time to join the Altar Server Ministry. God calls us all to be a part of the celebration of the Holy Mass. Please consider being a part of this faith building tradition. Servers are greatly needed at this time. Parents, please consider asking your child to serve.

Training will consist of hands-on training in the Church as well as videos and instruction. Anyone interested in becoming a server must attend. A few changes have occurred since the last training so current servers are encouraged to attend.

Server Requirements: Servers must have received the sacrament of Holy Communion. High School students who have previously served are strongly urged to please consider becoming a part of this ministry. Experienced servers are greatly needed to help train and mentor our younger servers.

Expectations: To assist Father at Holy Mass in a reverent and attentive manner. It is our hope to have enough servers to schedule for every Mass through a rotating schedule.

Activities: This ministry is more than just Altar serving, it's a community of our youth. Activities to deepen the faith of our servers will also be planned throughout the year.
