Bulletin Publication Note

As you have already noticed this bulletin is a shorter than normal bulletin. The next two bulletins, will be "one pagers" with the information being the weekly schedules and ministry information. The reason for this is that vacations and working out of town schedules have clashed and we opted to make sure you have the necessary info to continue Masses and schedules as needed. The collections will be reported a few weeks late and the office will be open for normal hours. Thank you for your patience and understanding.
